Hundred Club Rules

Aims

The purpose of the Hundred Club (hereinafter referred to as the 'Club') shall be to raise funds for initiatives that Club members wish to support. These are not limited to other charitable causes but include any group or organisation which would benefit from a donation from the Club. The funds raised shall be administered separately to the Choir's normal operating account(s).

Subscriptions

The subscription to the Club for one number/share shall be £12.00 per quarter in advance. This will give members one number which will be placed in the Monthly Draw. Members should set up a STO in favour of the Club account to aid administration. The Payment schedule should be

£12.00 on 1st January, 1st April, 1st July, and 1st October

(please see the Club STO Mandate on the web members area)

A member is eligible for inclusion in the Monthly draw so long as the subscription for the relevant Quarter has been paid.

Each member is allocated a permanent number in the monthly draw. This number shall remain the member's provided their subscription is up to date.

Members may have multiple subscriptions. Choir members will be encouraged to include family and friends as members of the Club.

Leavers

Members wishing to leave the Club should do so at the end of the club membership for that quarter. Refunds will not be given for people wishing to withdraw before the quarter end. Exceptions to this rule may be made where the member has multiple subscriptions.

Prizes

There shall be one prize draw per month. The draw for each month shall be made as close to the end of each month as arrangements reasonably allow. The draws will be made in the presence of three people who must be Club members. The draw will normally take place in New Mill Club or whichever venue is deemed suitable by the Club administrators (see below).

Monthly prizes will be awarded according to membership of the Club for that month as follows:

- 50% of the month's net payments shall make up the prize fund. This will be paid out each month as 3 prizes made up of 50%, 30% and 20% of the prize fund.
- The remaining 50% of the net payments will be allocated to the Hundred Club bank account.

The draw results will be available on the Choir's public web site, www.newmillmvc.org.uk. The Club administrators will make all reasonable efforts to pay or post prize cheques to the winners within a reasonable period after the monthly draw.

Administration

Administration of the Club will be performed by a sub-committee of 3 Club members. The sub-committee will be responsible for month by month prize calculations, prize draws, Club membership, allocation of numbers and prize winner notification.

The decision of the Club sub-committee shall be final in all matters requiring adjudication.

The Club sub-committee or any Club member may make suggestions as to the use of funds raised by the Club but the final decision will be that of the Club members. A simple majority decision will decide whether a payment is made or not.
